

**Report for VSI Board of Directors
From Admin Vice-Chairperson
Virginia Swimming, Inc.
January 6, 2008**

- To date, total of 30 VSI meets have been sanctioned, between September 1, 2007 and January 20, 2008. An additional 3 YMCA dual meets have been approved, 3 intrasquad meets have been conducted as approved meets, and one non-VSI approved meet (CUBU – 9 and Under) has been conducted in Fall of 2007.
- Setting of meet fees for individual events and for relays has been based on the projected attendance, projected number of swims, and known facility expenses and awards / equipment rental expenses. Steve Hennessy and Mary Turner have been extremely helpful in reviewing meet fee proposals for each host team.
- With the sudden loss of Kyle Wilson on December 9th as Head Coach of the new CVA Swim Team, many coaches in VSI have volunteered their time to assist these swimmers with their practices. An assistant coach of SWAT has currently made arrangements to work for an interim period for the CVA swimmers. Board Members of the CVA team would like to thank VSI for the many forms of support that have emanated in the swimming community during the last month.
- VSI has partnered with two diving coaches to conduct diving clinics in the Williamsburg area and in the Charlottesville area. Each class included handouts and live demonstration by experienced college or high school divers.

Respectfully submitted,

David Strider
