

## **Camps Coordinator Report – September 2008**

We have held two camps in our LSC, one in Manassas, and one in Norfolk. Any team can host a camp - all they have to do is get a pool date and I will get all the paper work done for them.

I am looking into the possibility to see what it would take to have an Open Water Age Group Champs at the beach, with these swimmers swimming that event at zones. With Open Water now an Olympic sport, we need to start giving swimmers the opportunity to swim this event.
