

Officials Committee Report
28 February 2005

Accomplished since 4 January 2005

- Working on a guidance document dealing with an athlete's right to a hearing if they've been suspended from competition for a conduct violation. The draft document is attached and will be reviewed by Wells O'Brien before it is finalized.
- Planning for the Swimposium this Fall is ongoing.
- Planning for Referee's Clinics in the fall is beginning.
- Provided summary and recommendations for handling two "illegal entries" for BOD review and follow-up
- Working our way through the Championship season.
