

Senior Chair Report 3/4/05  
Submitted by Peter Maloney

### **Senior Champs**

Entries for the meet is looking good we should have a fast meet, in the future I would recommend that we send a meet invitation to all colleges so that their swimmers can have the opportunity to participate. I received many phone calls from compliance officers to see if the swimmers could loose their eligibility if they attended our meet.

### **Long Course Senior Champs**

Steve had a letter from a parent that wanted us addresses the short LC Season for AA swimmers to slower than Zones. What is the BOD take on this?

I haven't had any communication from the Senior Chair from PV we are at a stand still trying to figure out what type of meet to run, PV coaches would prefer a Senior type meet, and the VA coaches are mixed some don't want another meet.
