

Technical Planning Committee

1. The 2007-2008 Schedule/Calendar has been released. It will be posted to the VSI website as soon as possible.
 - The schedule was delayed initially because of a number of last minute changes to bids. Later after the bids were updated we had a number of conflicts for scheduled meets in the Southeast District, North District, and Central District.
 - Most bid conflicts were resolved by contacting the management staff of the proposed venues to determine which team had an existing agreement with the facility versus those teams that made bids without an agreement.
2. The Southeast District and the North District have followed the schedule template by hosting age group meets (14&Y) whereas the Central District has chosen to have BB/B/C Meets and BB+ Meets.
3. We have a host for the three LSC wide senior meets. NOVA in October, ODAC in November, and WAC in January.
4. All District Champs and Region Champs has a host team and venue. GATR will be hosting the SC Senior Champs at UVA and SHKS will be hosting SC Age Group Champs at the Freedom Center.
 - We are still in search of a host and venue for LC Senior and Age Group Champs.
 - CGBD has expressed interest in hosting LC Age Group Champs again at MAC. No other teams have expressed interest.
5. The schedule has one glaring hole in the SC season in that we are looking for a host for the LSC wide 13&O BB+ Meet. Also we are hoping a team will be willing to host a LC meet in early June.
6. We had a large turn-out for Summer Awards (891 swimmers). This is the largest Summer Awards meet hosted at a single venue. We have two hosts for the 2008 VSI Summer Awards, so it will return to a regional format.
 - Despite the request for time trials each of the last two years at Summer Awards we have received significant feedback that indicates that they are inappropriate for this meet.
 - Due to the limited opportunities for VSI swimmers during the LC season more and more teams are viewing Summer Awards as another opportunity for all swimmers to improve their times not just attain more qualifying times.
 - Recommend the Age Group Committee develop a new format for Summer Awards that provide an intermediate championship meet and an additional opportunity for swimmers otherwise not qualified to improve their times.

7. LC Age Group Champs was also had our largest turn-out with 651 swimmers.
8. Team assignments for region championships will be determined by October 1st.
