4. VSI Senior Champs Review:

- The following is participation and entries for SC Senior Champs for the last five years:

Year	2016	2017	2018	2019	2020
Swimmers	536	540	552	589	653
Individual Entries	2364	2448	2315	2689	3125
Relay Entries	259	241	237	252	272

- A review of the number of swimmers and entries for 2020 SC Senior Champs clearly shows increases undoubtedly due to the bonus swims.
 - What this the desired effect?
 - Do we continue with dual courses for all events for Friday, Saturday, and Sunday for SC Senior Champs?
 - Will we continue the bonus options with the dual courses moving forward?
 - We should continue this setup for one additional year before making any changes to the entry requirements
 - We will review entry times and results and publish a report for committee review prior to the next committee meeting.
 - The only recommended change for the LC Senior Champs is changing the 15-16 Finals Heat to 16&U Finals heat.
 - Set up a normal meet entry deadline for senior champs and follow-up with a late entry deadline for new qualifying swims.
 - Explore for the future a rotation of senior champ's order of events.
 - Should we explore the possibility of moving senior champs to December?
5. VSI Senior Circuit
- Create a senior circuit with meets in October, November, and January using the events offered at the VSI Senior Champs meets and rotating the 1000 Free and 1650 Free instead of offering both at each meet.
